

## **Appeal to the public to lock-up their dogs and other pets during refuse collection days**

The Directorate Integrated Environmental Management would like to appeal to all residents of Mogale City Local Municipality to kindly ensure that their dogs and other pets are locked up during refuse collection days.

This request follows a series of incidents whereby the Mogale City Local Municipality staff members collecting refuse are bitten by dogs which are not monitored by their owners.

In terms of the Mogale City Public Health By-Laws, kennel owners must ensure their dogs and cats are kept on the premises and that do not disturb or hinder the comfort, convenience, peace or quiet of the public. Failure to comply will lead to the municipality effecting the necessary penalties of fines in this regard.
