

Mogale City

FINAL NOTICE

REGISTRATION OF PRIVATE SOLID WASTE SERVICE PROVIDERS

The Mogale City Local Municipality's Integrated Waste Management By-laws requires all **Private Waste Service Providers (within MCLM jurisdiction)** that are dealing with waste in terms of handling, storage, transportation, treatment and processing (including recycling) all forms of waste including general household waste, builders rubble, garden refuse, health care risk waste, Industrial waste etc. to register with the Directorate: Integrated Environmental Management. The registration process starts from **15 January – 15 February 2007**. This process is aimed at assisting Mogale City in developing a Waste Information system, which will enable the Municipality to control, monitor and regulate the activities that the private service providers undertakes.

Companies can get the registration forms from these offices:

- Integrated Environmental Management Directorate at Coronation Park.
- Revenue Section at Town Hall.
- Landfill Site at Luipaardsvlei.
- Jack Smith building (Clinic).

Please take note that this is the final notice, companies who fail to register within given period will be penalized for late registration.

**For more information please contact
Mr. Wiseman Mzimba or Ms Keitumetse Mabe
at (011) 660 8757 or E-mail wisemanm@mogalecity.gov.za**

The forms are also available electronically on request from the above details.
