- the Budget of the Employer, and shall include key objectives; key performance indicators; target and weightings.
- 4.3 The key objectives describe the main tasks that need to be done. The key performance indicators provide the details of the evidence that must be provided to show that a key objective has been achieved. The target dates describe the timeframe within which the work must be achieved. The weightings show the relative importance of the key objectives to each other.
- The Employee's performance will, in addition, be measured in terms of contributions to the goals and strategies set out in the Employer's Integrated Development Plan.

5 PERFORMANCE MANAGEMENT SYSTEM

- 5.1 The Employee agrees to participate in the performance management system that the Employer adopts or introduces for the Employer, management and municipal staff of the Employer.
- 5.2 The Employee accepts that the purpose of the performance management system will be to provide a comprehensive system with specific performance standards to assist the Employer, management and municipal staff to perform to the standards required.
- 5.3 The Employer will consult the Employee about the specific performance standards that will be included in the performance management system as applicable to the Employee.

6 THE EMPLOYEE AGREES TO PARTICIPATE IN THE PERFORMANCE MANAGEMENT AND DEVELOPMENT SYSTEM THAT THE EMPLOYER ADOPTS

- The Employee undertakes to actively focus towards the promotion and implementation of the KPAs (including special projects relevant to the employee's responsibilities) within the local government framework.
- 6.2 The criteria upon which the performance of the Employee shall be assessed shall consist of two components, both of which shall be contained in the performance agreement.
 - 6.2.1 The Employee must be assessed against both components, with a weighting of 80:20 allocated to the Key Performance Areas (KPAs) and the Core Competency Requirements (CCRs)/ Core Managerial Competencies (CMC) respectively.
 - 6.2.2 Each area of assessment will be weighted and will contribute a specific part to the total score.

7 EVALUATING PERFORMANCE

- 7.1 The Performance Management Plan (Annexure A) to this Agreement sets out-
 - 7.1.1 The standards and procedures for evaluating the Employee's performance; and
 - 7.1.2 The intervals for the evaluation of the Employee's performance.
- 7.2 Despite the establishment of agreed intervals for evaluation, the Employer may in addition review the Employee's performance at any stage while the contract of employment remains in force.
- 7.3 Personal growth and development needs identified during any performance review discussion must be documented in a Personal Development Plan as well as the actions agreed to and implementation must take place within set time frames.
- 7.4 The Employee's performance will be measured in terms of contributions to the goals and strategies set out in the Employer's IDP.
- 7.5 The annual performance appraisal will involve:

Maanda Pringle Raedani and Executive Manager: Mahubila Monakedi

7.5.1 Assessment of the achievement of results as outlined in the performance Plan:

2020/2021 Performance Management Agreement entered into by and between The Municipal Manager:

- (a) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to hoc tasks that had to be performed under the KPA;
- (b) An indicative rating on the five-point scale should be provided for each KPA;
- (c) The applicable assessment rating calculator must then be used to add the scores and calculate a final KPA score.

7.5.2 Assessment of the CRs

- (a) Each CCR should be assessed according to the extent to which the specified standards have been met;
- (b) An indicative rating on the five-point scale should be provided for each CR;
- (c) The applicable assessment rating calculator must then be used to add the scores and calculate a final CR score.

7.5.3 Overall rating

An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisal.

7.6 The assessment of the performance of the Employee will be based on the following rating scale for KPA's and CRs:

Overall Performance	Rating	Performance Score
Unacceptable Performance		
Performance does not meet the standard expected for the job. The employee has failed to demonstrate the commitment level expected in the job despite management efforts to encourage improvement.	1	59% and below
Performance Not Fully Effective		
Performance is below the standard required for the job in		.:
key areas. Performance meets some of the standards expected for the job.	2	60 – 69 %
Performance Fully Effective	3	70 – 79 %
Performance fully meets the standards expected in all
